TOYMAKER

BY ELION_TIME001

I'LL PLAY WITH YOU.

BUT I WANT TO SEE IF YOU REALLY HAVE WHAT YOU CLAIM.

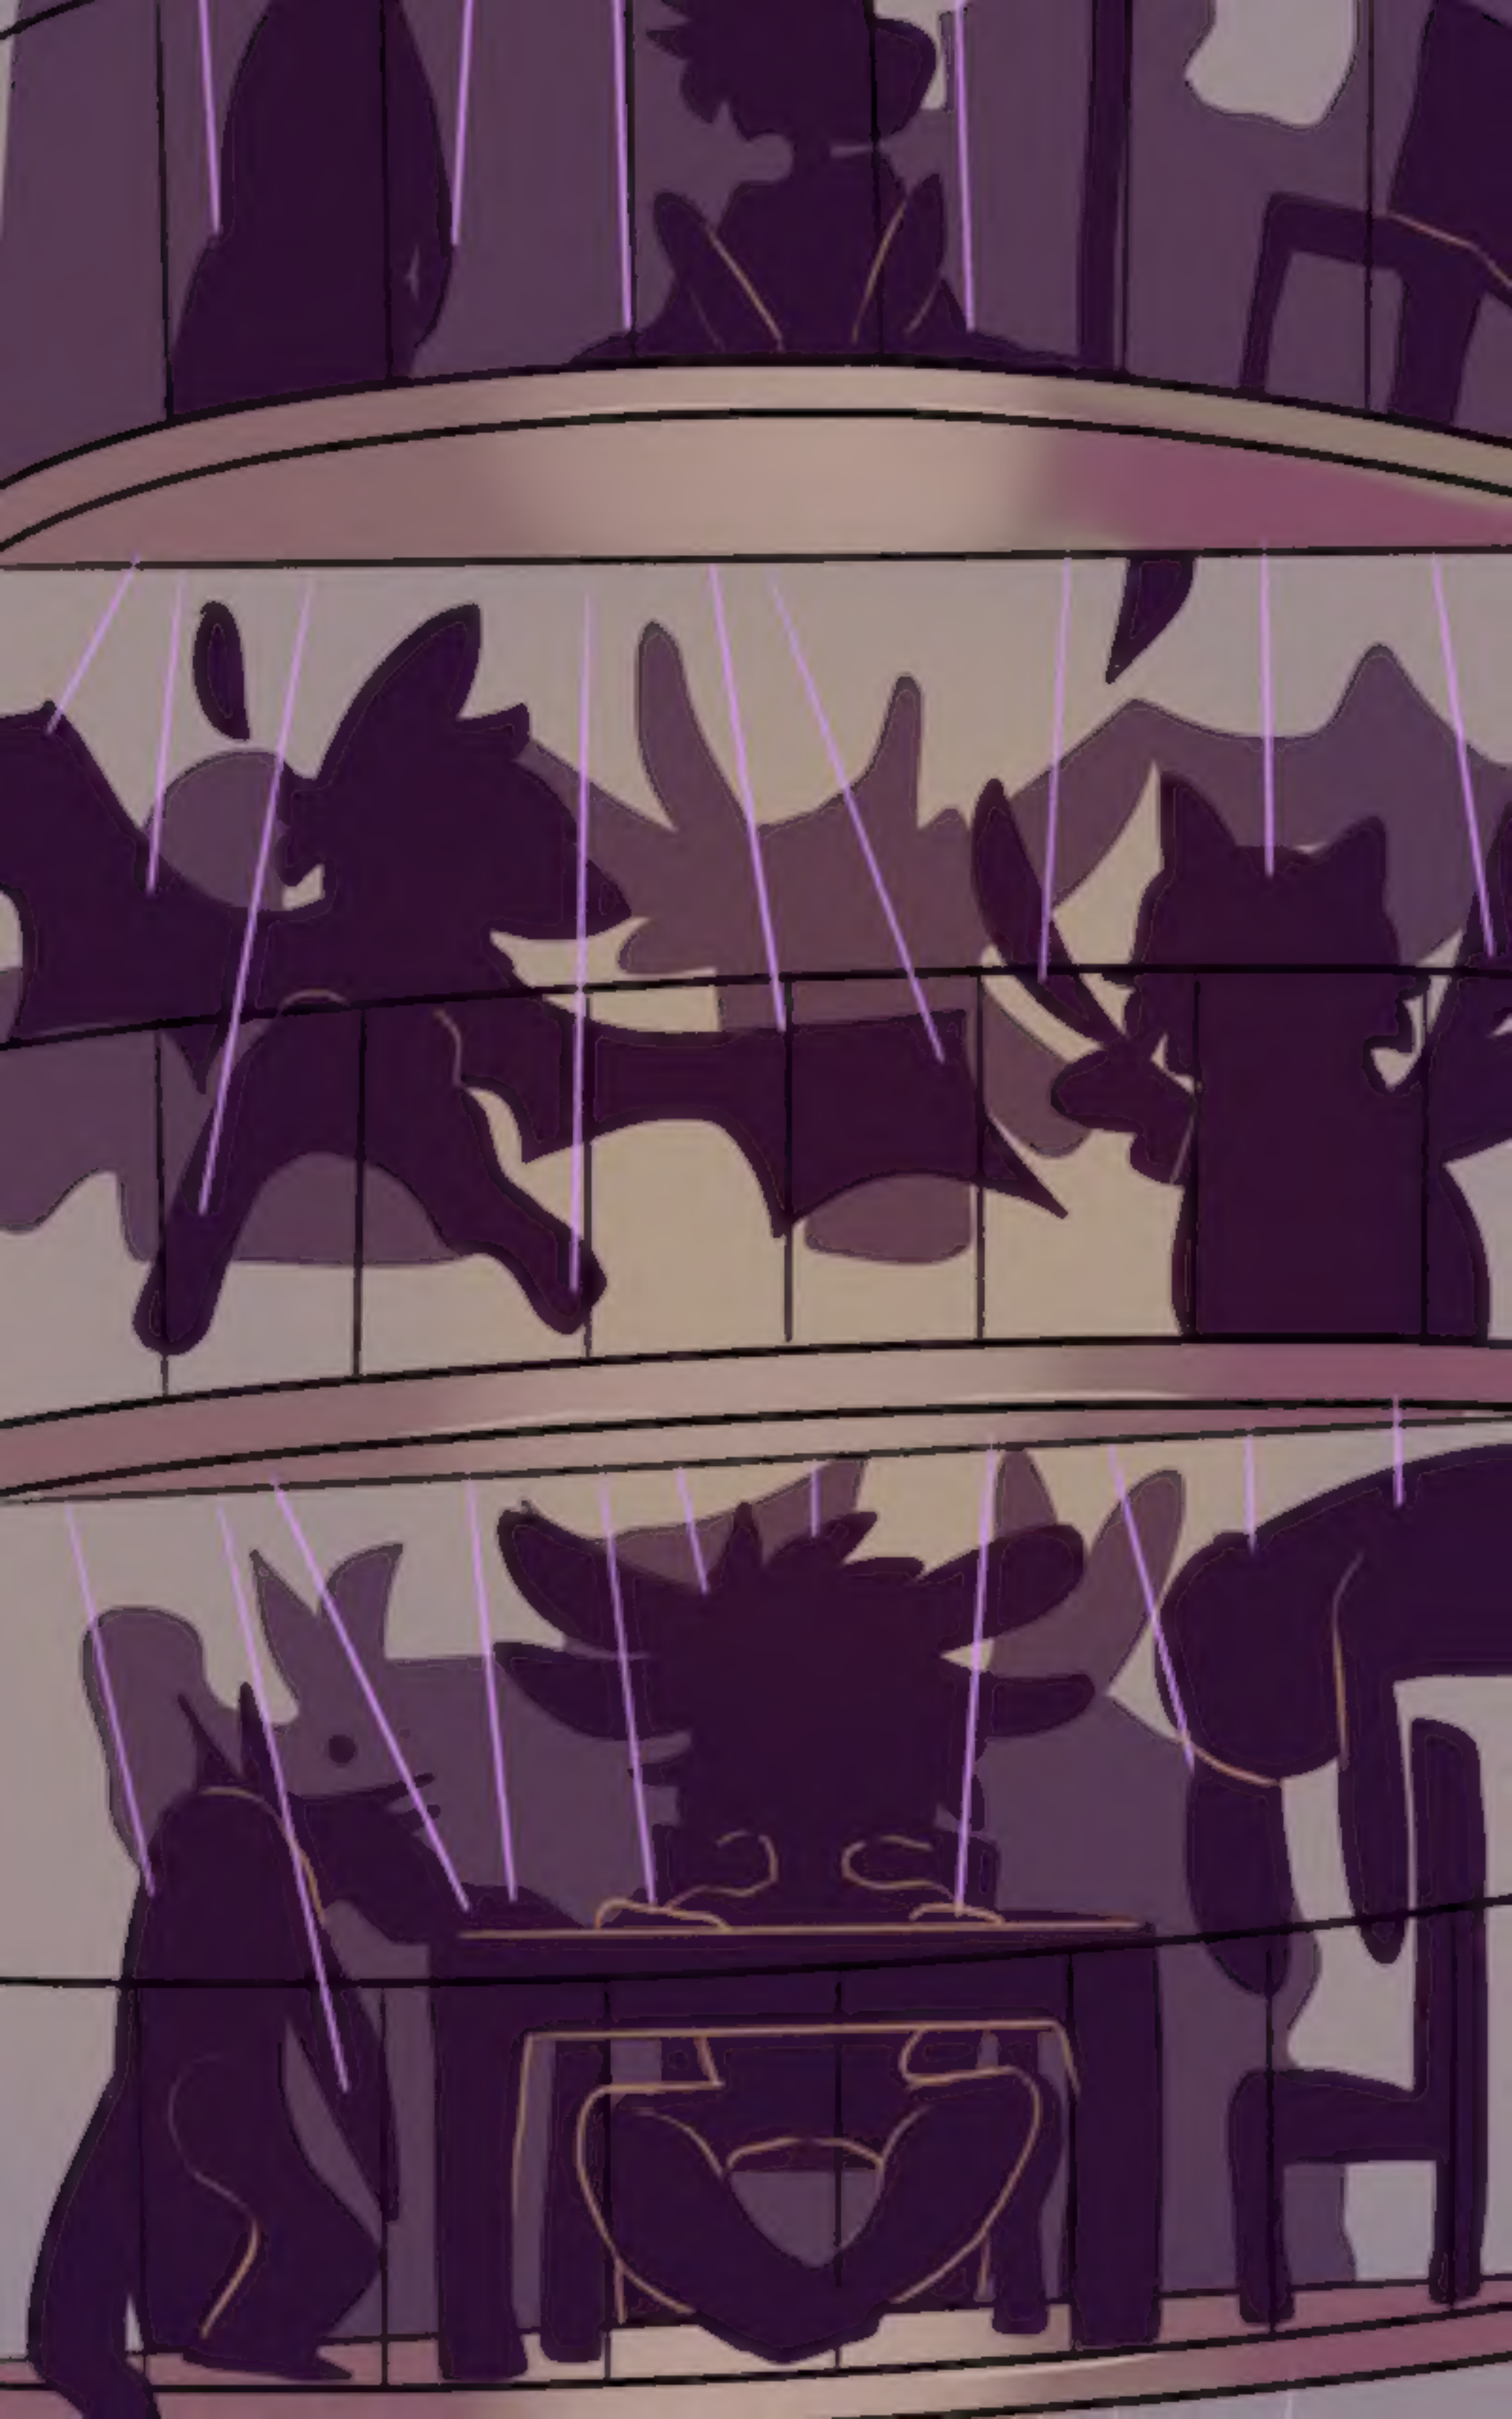
OH? NO PROBLEM.

MY FRIEND.

I'LL SHOW YOU MY COLLECTION.

SHOULD WE... FOLLOW THEM?

I DON'T CARE ABOUT YOUR COLLECTION, JUST SHOW ME MY BODY PART-



ARE THESE...

HANGING ON STRINGS?

BEAUTIFUL, RIGHT? I'M REALLY PROUD IF IT.

TOOK ME QUITE A WHILE TO GATHER.

BUT I COULD USE A NEW EXPOSITION.

I THINK YOU WOULD FIT PERFECTLY FOR IT~

GET AWAY!

DON'T ACT AS

IF I ALREADY LOST!

WELL, AREN'T YOU AMUSING?

HERE. I BELIEVE IT'S YOURS.

QUITE BEAUTIFUL, DON'T YOU AGREE?

MUST'VE BEEN CREATED BY A VERY SKILLED CRAFSTMAN.

WHY IS IT LOCKED UP...?

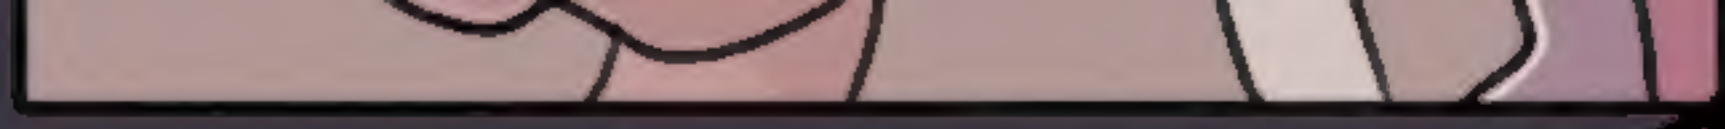
OH, IT'S A VERY NICE, LITTLE INVENTION.

PREVENTS ENERGY FROM GETTING OUT.

IF YOU THROW A HEART IN THERE...

IT WON'T BE ABLE TO CONTROL ANYTHING OUTSIDE OF IT.

IT'S STILL ONLY A PROTOTYPE.



APPARENTLY YOUR PARTS CAN BE A LITTLE... UNSTABLE.

IT'S BETTER TO KEEP THEM LOCKED IN THERE.

OR AT LEAST THAT'S WHAT I WAS TOLD.

BY THE ONE WHO INVENTED IT.
